**REFERENCE LETTER:
CONTRACT FULFILLMENT TANZANIA, GENKEY SOLUTIONS B.V.**

Under the name Lithotech Exports, a division of Bidvest Paperplus (Pty) Ltd, I hereby declare that the company GenKey Solutions B.V., Eindhoven, Netherlands supplied certain services for the Biometric Voter Registration project in Tanzania. The project was awarded by the Election Commission to Lithotech, and GenKey Solutions B.V. acted as a subcontractor.

- General Details of the Contract: Tender Reference: IE/018/2012-13/HQ/G/19
- Contract No: 2014-201c
- Contract Validity: June 2014 – October 2015
- Contract Objective: to supply a tailor-made solution which enhances the voter registration process in Tanzania, registering 23,000,000 voters.

General services provided according to the contract:

- Automatic Biometric Identification System with identification of fingerprints through finger-independent matching.
- De-duplication of 23 Mio subjects, representing a database of about 200 million fingerprints.
- Support in the adjudication process of detected biometric duplicates.
- SPiRE ID Management System, a database registry for voter management and voter book generation.
- Installation, training & support services.

I further certify that the Project was initiated in June 2014 and was finalized in October 2015. The execution was performed to our fullest satisfaction, within the specified timeframe and with the quality expected according to the contractual obligations set forth in the technical specifications.

According to the above mentioned, we confirm that GenKey Solutions B.V. has satisfactorily fulfilled all its obligations. I am looking forward to an ongoing business relationship and remain at your disposal for further information.

This document is expedited as a certification for the company at its request.

Yours faithfully

José Camacho
