02 March 2015

**CONTRACT FULFILLMENT: GENKEY SOLUTIONS B.V**

To whom it may Concern.

Under the name Lithotech Exports a Division of Bidvest Paperplus (Pty) Ltd, I hereby declare that the company Genkey Solutions B.V, Eindhoven, Netherlands supplied the services for the Biometric Voter Registration project in Mozambique. The project was awarded by the Election Commission to Artes Graficas Mozambique, and executed by Lithotech as the General Contractor.

**General Details of Contract:**

- Contract No: 01/STAE/UGEA/2013.
- Contract Validity: March 2013 – October 2014.
- Contract Objective: To supply a turn-key solution which enhances the voter registration process for registering 12,000,000 voters.

General services provided according to the contract:

- Automatic Fingerprint Identification System.
- Authorization of identification of fingerprints that allows the search of one print among a universe of prints.
- Registry and elimination of fingerprints in the universe mentioned.
- De-duplication of the Voter registration record based on fingerprints.
- In the Project there were 12 Million voters registered and de-duplicated based on their fingerprints.

I further certify that the Project was initiated in March 2013 and was finalized on October 2014. The execution was performed to our satisfaction, within the time and with the quality expected according to the contractual obligations set forth in the technical specifications.

According to the above mentioned, we confirm that Genkey Solutions B.V has satisfactorily fulfilled all its obligations.

This document is expedited as a certification for the company at its request.
